

PLAYFORD ALIVE INITIATIVES FUND – ROUND 4 FREQUENTLY ASKED QUESTIONS

The Playford Alive Initiatives Fund has been designed to encourage as many local groups/organisations as possible to apply for Funds to ensure that the Initiatives Fund makes maximum contribution to the local community.

Below is a sample of questions that you may ask:

Q. When will the Fund be available to applicants?

The Fourth Round of the fund will be open on Monday 26 September 2011 with a closing date of Friday 21 October 2011 at 5:00pm.

Q. Who can apply?

All local groups will be eligible provided that you are:

- i) legally constituted as an incorporated association or,
- ii) if your group is not legally constituted then you will need to find an incorporated organisation that will take legal and financial responsibility for any grant monies received.

Q. Does your group have to be located within the Playford Alive project area to apply?

No. Although the Fund has been developed to assist local groups/organisations that are located in the Playford Alive Urban Renewal Project Area, any group/organisation located just outside of the project area will be able to apply provided they can demonstrate that the majority of benefit will be for residents living within the project area.

Q. Is there a limit to the amount of funding that a group/organisation can apply for?

Yes. There is a cap of \$100,000 available in the second round. However there is no cap on the amount an organisation can apply for a specific project (but not to exceed \$100,000). This lack of a cap for a specific project reflects that the Fund understands that there are a variety of potential projects that may meet the needs of the current and future community and may vary in costs.

Q. Does the Initiatives Fund expect some form of contribution from an applicant?

Yes. One strong principle of the Fund is that any group/organisation applying must also provide some form of contribution. The contribution may be volunteer input such as the time volunteers spend working on behalf of the group; funds that have already been raised towards the project or any professional services provided etc.

Q. Who will assess the applications?

The Playford Alive Initiatives Fund Management Board will assess and determine all submitted applications and to allocate funds to successful applicants.

Q. Who are the members of the Playford Alive Initiatives Fund Management Board?

The Initiatives Fund Management Board consists of five members. There is one representative from each of the Playford Alive project partners: the City of Playford, Land Management Corporation, Department for Families and Communities plus the Chair of the Playford Alive Steering Committee. The Chairperson is the Mayor of the City of Playford.

Q. We need help filling in the application form, who can help?

You may know of someone who could assist, or alternatively you could contact Chris Pietruszka from the City of Playford on 8256 0456 or via email cpietruszka@playford.sa.gov.au who will be able to assist you in completing the fund application (this support does not guarantee a successful application).

Q. Who is the main contact should I require further information or to ask a question?

Chris Pietruszka will act as the point of contact should you have any queries or need to speak to someone for help.
